

How to upload your vaccine card

Start here:

The Panabios site [can be found here](#)

You will need to make an account first!

The screenshot displays the Panabios dashboard. On the left is a dark red sidebar with the following menu items: Dashboard, Trusted Labs, Tests, Check In, and Dependents. The main content area is light blue and contains a 'Welcome!' message with a 'Validate Test For Travel' button. Below this are three cards: 'Trusted Vaccines' with an 'Upload Vaccine Record' button, 'TESTS UPLOADED BY LAB' with a count of 0, and 'TESTS UPLOADED BY TRAVELLER' with a count of 0. The top right corner shows a user profile for 'barbarajoubert@gmail.com'. The bottom of the screenshot shows a Windows taskbar with various application icons and a system tray showing the date 'Feb 10' and time '11:03'.
